FOR IMMEDIATE RELEASE  
December 1, 2011

## ARC Supports Operation Homefront Through Corporate Vehicle Donations

On November 30, American Roll-On Roll-Off Carrier, LLC (ARC) donated its third vehicle to Operation Homefront's DC Metro chapter, which then gifted the vehicle to a retired Army soldier. ARC and its affiliated companies under the American Shipping & Logistics (ASL) Group banner provide support to Operation Homefront through vehicle donations and its annual Adopt-a-Family program. Additional coverage and video of the vehicle donation is available at the following link:

<http://www.wusa9.com/news/military/article/177392/272/Wounded-Warrior-Surprised-By-Free-Car-For-Family>.

"It gives us great pleasure to give support to the warfighters, the wounded warriors and their families at home. It is our humble way to say thank you for the service and sacrifice so many have given to our great country," said Raymond P. Ebeling, Chairman and CEO of ASL Group.

ARC intends to deliver a fourth vehicle to Operation Homefront in early 2012. Operation Homefront will then select a service member to receive the vehicle and give it to him or her at a surprise gathering. ARC anticipates donating another two or three vehicles in 2012.

"Our company car program was revamped in 2011, resulting in several company-owned vehicles becoming available over the next few years. Upon hearing of the great services provided by Operation Homefront, we thought donating the vehicles would be the best way to handle the final disposition of cars that are still in good operating condition," said Mr. Ebeling. "Further, each year our staff initiates a fund-raising drive for the annual holiday Adopt-a-Family program. The Company matches \$3 for every \$1 donated by employees and we're very proud to say that to date we've adopted 57 families and 159 children. It is a fantastic effort driven by our employees."

Operation Homefront provides emergency financial and other assistance to the families of our service members and wounded warriors, most of whom are members of the enlisted ranks. Financial assistance, home and appliance repair, furniture and household items, and Wounded Warrior Transitional Family Housing are only a few of the ways in which this group provides help. For more information on Operation Homefront, please visit: [www.operationhomefront.net](http://www.operationhomefront.net).

American Roll-on Roll-off Carrier (ARC) is the leading American ro-ro carrier operating liner services in the U.S.-flag international trades. ARC provides port-to-port and end-to-end transport of heavy vehicles, helicopters and other equipment for the U.S. government and its various agencies. For more information on ARC and its services, please visit: [www.arccnet.com](http://www.arccnet.com).
